

## Client Case Study

**Client Name:**

HighTechLending

**Company Type:**

Mortgage Banker

**Project Title:**

New Office Installation and Start-Up

**Scope of Work:**

Soft Point Media was responsible for the procurement and installation of an entirely new 15 person office with 15 dual-monitor workstations, 1 Dell PowerEdge 2900 Windows Small Business Server 2003, UPS units for both server and Cisco network infrastructure and Cisco VoIP system (Cisco network and VoIP systems provided by alternate vendor), and a 2 TB Network Attached Storage server. Client requested a custom installation where all workstations would be wired to look like consoles at NASA, with the micro-tower mounted out of sight under the desktop.
